

# Public Sector Compliant Solutions For IT Infrastructures

## Overview

Vertiv offers a comprehensive list of trade compliant products to ensure a smooth selection, procurement and deployment process for contractors and partners serving the federal, state and local governments.

*Trade Agreement Act (TAA) per Federal Acquisition Regulation 52.225-5*

*Buy American Act (BAA) per 41 USC §§10a-10d and FAR Part 25, FAR § 52.225-1 and DFARS § 252.225-7001*

*If required Vertiv has a suite of products that comply with The Buy America Act per 49 U.S.C. § 5323(j) and 49 C.F.R. § 661.5(a) (FTA requirements).*

Today, critical technologies can be located anywhere; in an office, IT network closet, lab and data center. Government services depend on these everyday. These vital systems require support solutions that can offer power, cooling, control and management capabilities.

Vertiv has a comprehensive portfolio of solutions, ready to be procured and deployed to help you meet your agency's Data Center Optimization Initiative (DCOI) and modernization needs.

Please check with us if you have any questions about other compliance regulations.

See the reverse side for a list of our BAA/TAA compliant solutions.
